

HŌ'IKE O HALEAKALĀ

MAUI ENVIRONMENTAL EDUCATION CURRICULUM

TEACHER WORKSHOP FOR K-8 EDUCATORS

August 16, 2014

8 a.m. to 4 p.m.

Location: Haleakalā National Park

- ♦ Take a hike with us and learn about our native Hawaiian ecosystems and how they support some of the most unique species of plants and animals on Earth!
- ♦ Gain in-depth understanding of invasive species and the threats they are posing to our watersheds, quality of life, and Hawaiian heritage.
- ♦ Take home tools and resources that you can use in your classroom to help your students learn more about our environment.

LUNCH AND SNACKS PROVIDED!

Fee: \$20 – Refundable upon completion of the workshop

Registration deadline: August 2, 2014

Forms and payment must be received by the deadline.

For a registration packet please contact Kūhea Asiu at

(808) 572-4452 or Kuhea_Paracuelles@nps.gov
