

HŌ'IKE O HALEAKALĀ

MAUI ENVIRONMENTAL EDUCATION CURRICULUM

WORKSHOP FOR SECONDARY EDUCATION TEACHERS

August 30, 2014

8 a.m. to 4 p.m.

Location: Haleakalā National Park

- ◆ Take a hike with us and learn about our native Hawaiian ecosystems and how they support endemic species found nowhere else on Earth!
- ◆ Learn about introduced miconia and axis deer and how they are impacting our forested watersheds and biodiversity.
- ◆ Take home resources that you can use to help your students develop an appreciation for our environment and learn about invasive species.

LUNCH AND SNACKS PROVIDED!

Fee: \$20 – Refundable upon completion of the workshop

Registration deadline: August 15, 2014

Forms and payment must be received by the deadline.

For a registration packet please contact Kūhea Asiu at

(808) 572-4452 or Kuhea_Paracuelles@nps.gov
